78TH ANNUAL REPORT & FINANCIAL STATEMENTS  
Annual Report Season 2010/2011

*Saving lives.  
Serious fun.*  
KINGS BEACH, SINCE 1933

## Club Motto

'Saving Lives. Serious Fun. Kings Beach, since 1933.'

## Mission

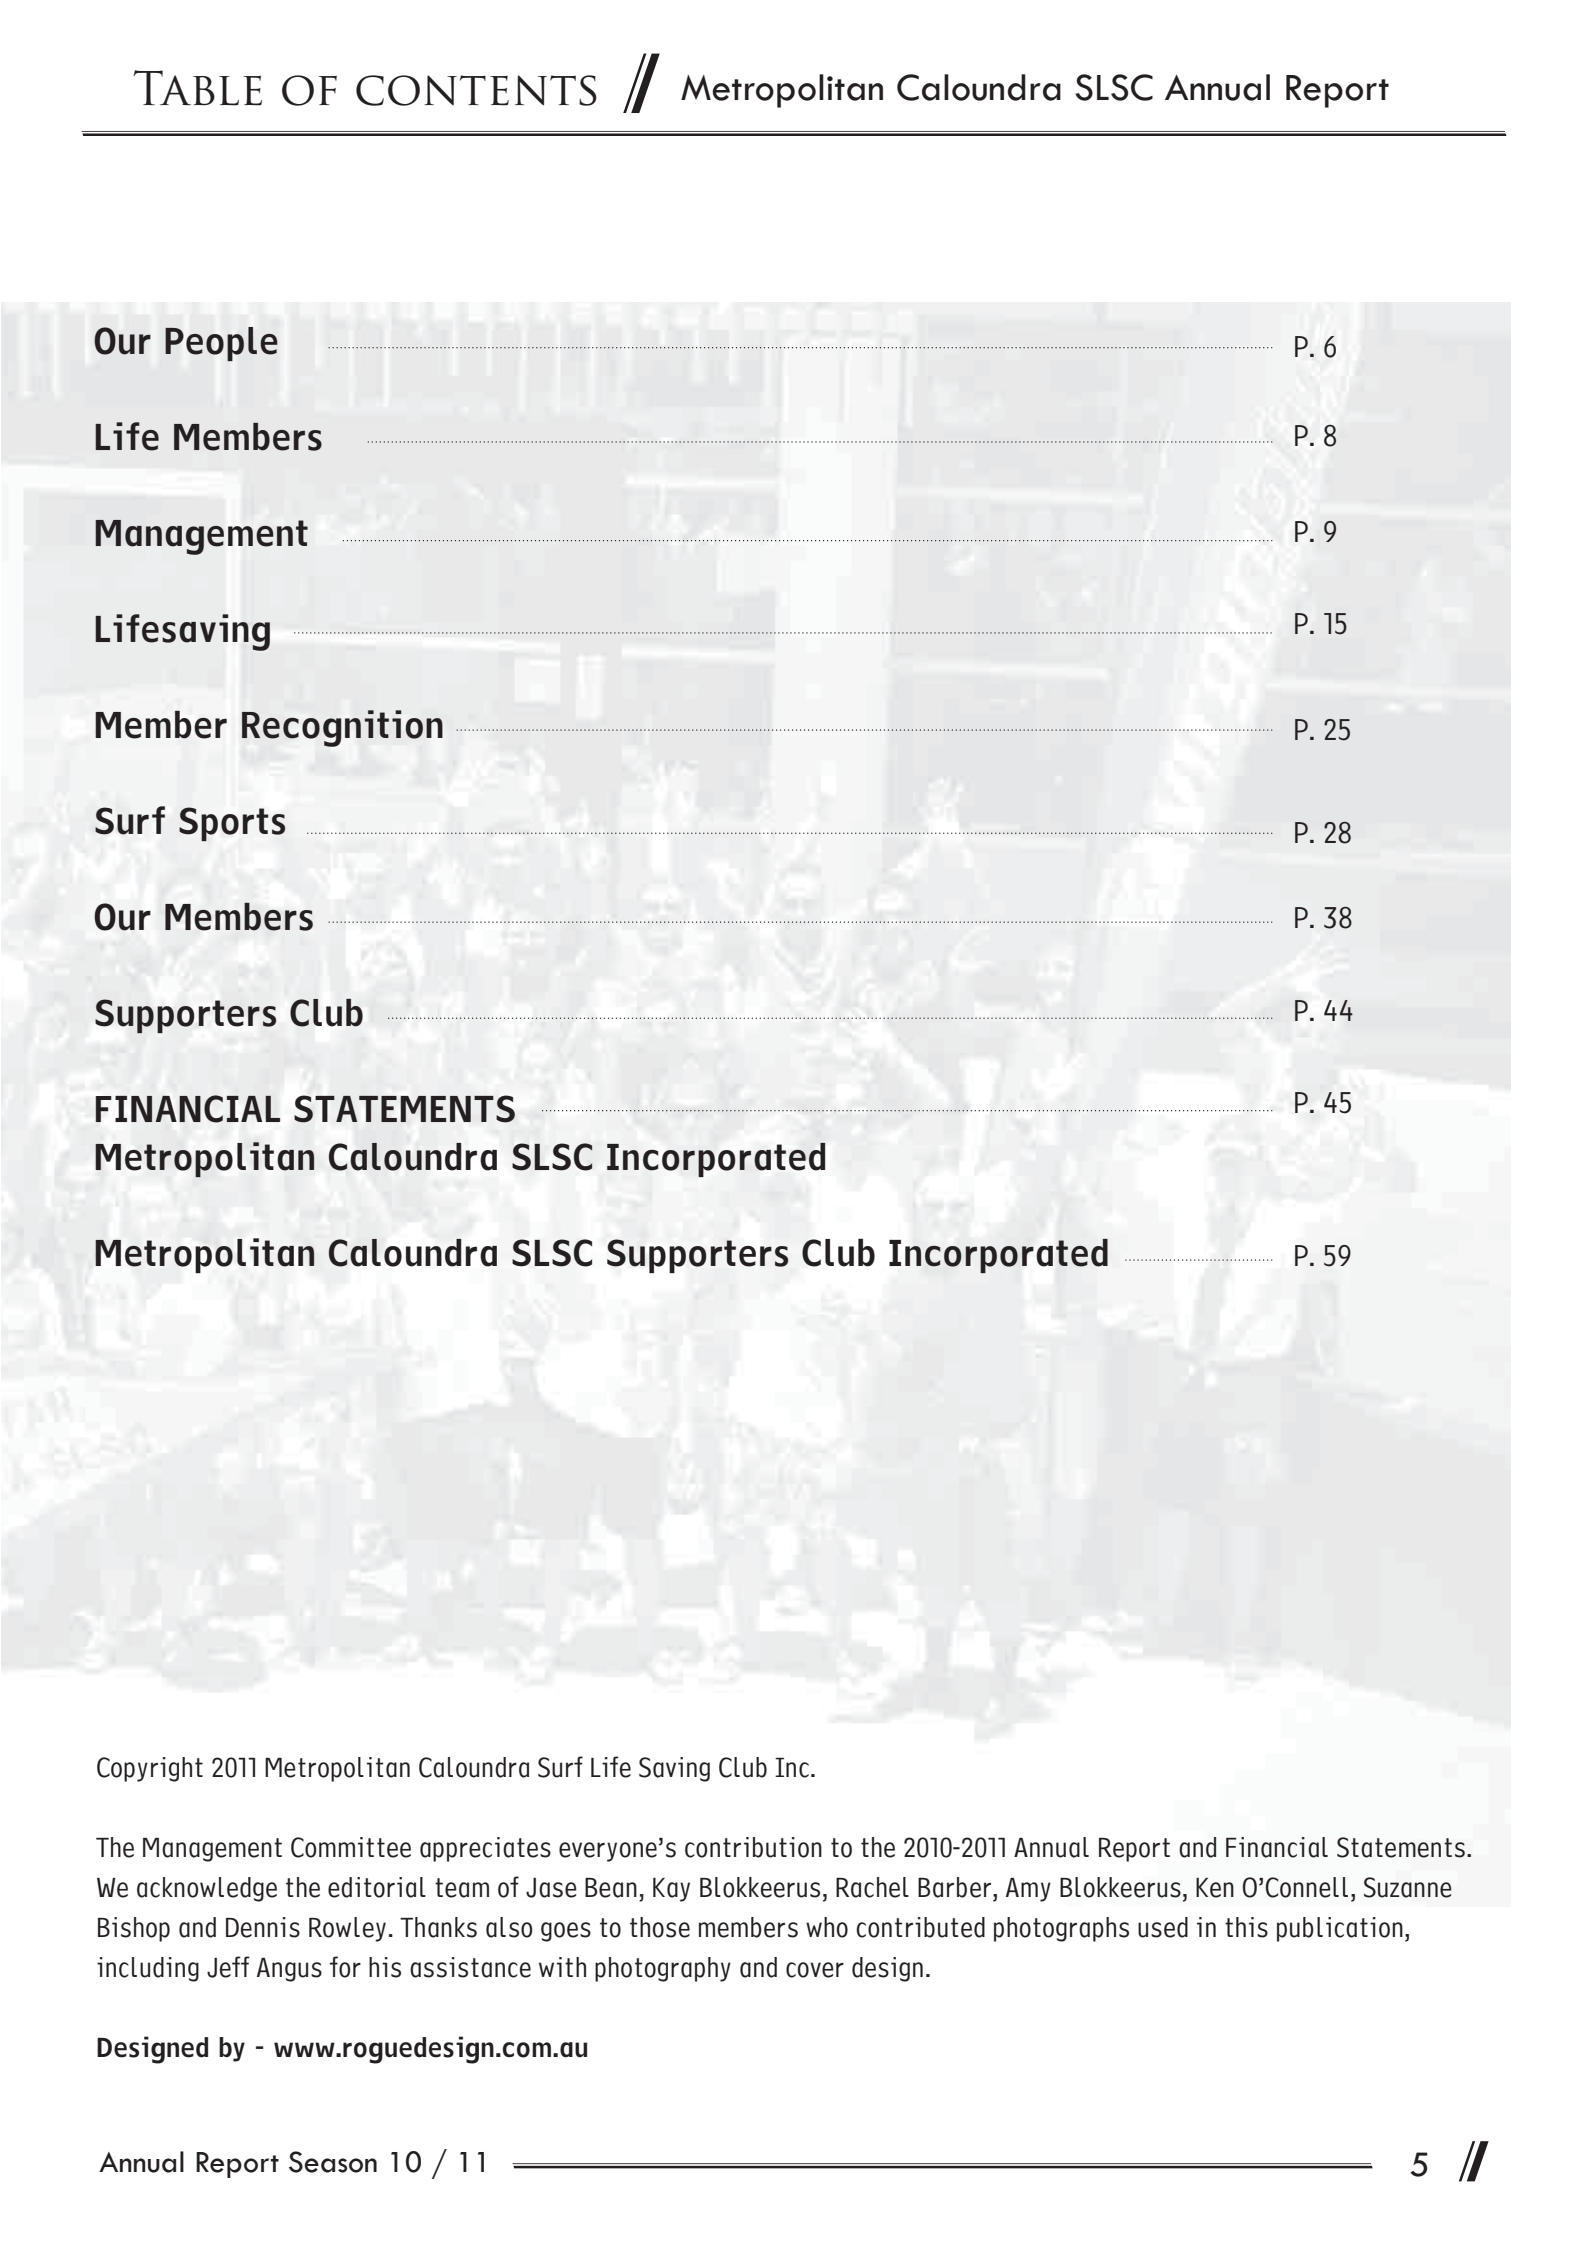

Metropolitan Caloundra SLSC is committed to the Surf Life Saving Queensland mission:  
Zero preventable deaths on Queensland beaches.

## Values

- High standards of management.
- Responsiveness to the needs of our community and our members.
- Operating with integrity, equity and accountability.
- Innovation and constantly improving our services.
- Operating as a team with internal and external stakeholders.
- Accepting our role as the leader in aquatic safety services in our region.

## Strategic Objectives

- Creating a positive first impression for new and renewing members.
- Marketing: building positive relationships with informed stakeholders.
- Training & Assessment: Qualifying our members to be the best surf lifesavers they can be.
- Delivering quality lifesaving experiences to members and the community.
- Lifesaving: Be the most efficient and effective patrol service on the Sunshine Coast.
- Surf Sports: Improve Metropolitan Caloundra's performance in regional, state and national surf sports competition in all age groups and disciplines.
- Development: Create opportunities for our members to develop as people, as surf lifesavers; and, support the club's development as a community service.
- Providing the foundation for club success.
- Management & Operations: Effective resource acquisition and finance management systems that support the continuing viability and improvement of our surf lifesaving services.

## Presidents Report

Welcome all members to the 78th edition of Metropolitan Caloundra SLSC Annual Report. Season 2010/11 has seen the club face a number of different challenges both on and off the beach.

Thanks to our patrolling members that completed numerous life changing actions over the summer from attending unconscious people on the rocks, falls on wet rocks, unassisted rescues via tube, board and IRB, blue bottle stings, shark sightings, near drowning's outside the flags, near drowning's inside the flags, administering oxygen, spinal carries, broken bones, Brisbane flood, lost family members, boat and jet ski roll-overs on the Caloundra bar as well as protecting wildlife. Your selfless actions on and off the beach makes all the difference. Special thanks to all Patrol Captains and IRB Drivers with limited help you have all performed above and beyond what is required. In my eyes, two of the highlights being Steve Bacon with Australia Day celebrations getting out of hand with drunken youths and a small riot; and John Keller with the most 5pm rescues, lost children and a shark sighting.

Also big thanks to Fi Fewtrell and Nathan Steer who came on board mid-season in the roles of Club Captain and Vice-Captain respectively to take over as I was starting to go under with the extra work load. I'd also like to extend another special thanks to the one and only Snow. Although due to an injury, becoming unable to perform his proficiency Snow has stepped into the much need role of gofer, making phone calls, collecting, repairing patrol equipment, finding subs and fill ins; without you the club would have been in some serious trouble.

In January 2011, Brisbane was inundated with flood water expected to be higher than the great floods of 1974. All SLSC on both coasts were asked to respond to what was a life threatening disaster. Within four hours Mets had a team at the SES headquarters on the north side of the city awaiting orders. What was to follow over the next 48 hours was truly amazing. Our members proved to the QLD and Federal government that the Australian Surf Lifesaver will put their personal safety aside to do anything to save a life, driving through fast moving water full of debris, skimming under power lines and trees, navigating flooded roads to get closer to the trouble area, all in the dark of night. Our skills have changed the way the Government will utilize Disaster Response, Swift Water Rescue, SES and SLSC team departments in the future. Many thanks to Rachel Barber, Mike McDonald, Carl Perkins Jnr, Steve Maitland, John Keller, Kirsten Phillips, James Baldock and James Creedy and myself.

As you are all aware our Supporters Club Management has returned to our control under the guidance of the Supporters Club board of management and new manager Ben Levesque. Metropolitan Caloundra Supporters Club was created for you, the patrolling member. Over the past few years our active members have for one reason or another forgotten this and have abandoned the Caloundra Surf Club. Together we can make this club fun and enjoyable to visit with family and friends once again. Under new management all profits stay here with us for our future, our future which includes a new clubhouse, one that will be the envy of all other clubs. Only with our members help can this be done. So come down on a Friday afternoon and solve the world's problems over a beer, raffles and Saturday night dinner or a Weekend breakfast. Thanks to our small but

committed work force that spent the best part of 18 hours on Good Friday, which subsequently had glorious weather, the best we have seen in years slaving to beautify our Supporters club. Great work and thanks to Jonesy, Snow, Donna, Craig Spender, John Buchannan, Jeff Morris, Carl Perkins Jnr, Paula Ryan, Fi Fewtrell, Glen Forbes, Rob Daniec, Ben Levesque (manager) and myself.

Big thanks to our treasury team of Dennis Croft, Margot Rousell and Kay Blokkeerus for their unbelievable efforts keeping the books and club on the straight and narrow with our cash flow and expenditure. This seasons State Wide Surf Appeal total was one of the biggest in the clubs history. Jonesy and Snow have both once again outdone themselves with their efforts through chocolates sales and supporters club raffles. Metropolitan Caloundra SLSC is in the best financial health we have been in years. To bolster our current position we all need to make a commitment to doing our part next season and continue our great clubs growth.

In surf sports last year we saw Bec Creedy rise to make her name in the Ironwoman series this year she went one better qualifying for next season's Nutri-grain series and placing 3rd in the Australian open Ironwoman final, well done Bec. Corey Jones also had a strong year in the Nutri-grain series with a spectacular showing at the Coolum round enduro format placing 3rd and continuing on even stronger at the business end of the season at Aussies with a 5th in the open Ironman and 1st in the board finals. Steph Cronin showed much promise for next season qualifying at Aussie's in not only the board final but also ironwoman and ski, one to watch. The boats were also in the winner's circle with a 1st place in 140yrs state masters and 3rd at the Australian masters, congratulations to Brain Pascoe, Paul Mullens, Michael O'Kelly, Anthony Wright and sweep Greg Bacon well done boys.

Josie Pike has been one of our stronger boaties in previous years, but this season without a crew she took up ski paddling and picked up 3rd at State Masters and 2nd at the Australian Masters in the 30-34yrs single ski. I am already looking forward to next year's competitions.

At the end of the day we are all volunteer's to the Surf Lifesaving movement, giving up some of our work time, play time and the hardest thing of all our family time. What we all need to remember is that some members want or are able to give more of themselves than others. No members should be treated differently or looked down upon if they aren't able to put in as much time as some of our other more devoted members. We are all a part of a bigger machine that is Metropolitan Caloundra Surf Lifesaving Club, 900 members sharing the work load is far better than 20 people doing all the work.

Thank you all again for another great season, be safe over the winter, relax and rest up. You've all done an excellent job. I'm looking forward to seeing you all again shortly whether it is at the supporters club for a beer or at next season's sign on.

See you on the sand,  
**Jase "Molly" Bean**  
President

## Administration and Planning Report

On behalf of my family and I, we would like to sincerely thank all the volunteers and staff who combined, to ensure the Metropolitan Caloundra Surf Life Saving Club continues serving the local community of Caloundra by saving lives, educating visitors and developing our members, during this past season.

Time is a precious commodity, so for all of you who offer your time, be it in large or small doses, well done and once again thanks.

It was great to see so many people involved this year. Like most volunteer organisations balancing work and family commitment's and volunteering is complex. With the continued increase in administrative processes we face week in and week out I am impressed with those who put their hand up to assist the professional staff.

Rhett, Kay, Amy and Rachel your professionalism is greatly appreciated.

### Planning

This has been dominated this season with the amicable parting of ways with our working arrangement with the RSL upstairs in the Supports club. This transition phase required enormous efforts from our Supporters Club along with the generous support of Surf Life Saving Queensland. This change has resulted in some tasks the RSL previously conducted being transferred to the administrative team and volunteers. The next administrative challenge is to work through the increase in tasks and define any overlap between tasks and functions of the Supporters Club and the Surf Life Saving Club.

At the time of writing this report the transition is running smoothly.

Next year's Board of Management will have the responsibility to continue with the strategic planning knowing they have a clear platform to work from.

Snow Maurice	Vice Club Captain	To Dec
Nathan Steer	Vice Club Captain	From Feb

## Administration

The inclusion of more volunteers assisting in the office has been fantastic and has ensured we keep that important balance between professional staff and volunteers. The award winners indicate who they are.

The administrative positions have been aligned to the appropriate administrative award with the positions being held at a "casual" status to provide the flexibility we require during the administrative year. The coaching position remains under a contract arrangement.

We received a grant this year to upgrade our computers and we changed our suppliers for support. The next phase is to upgrade our server which is a more expensive task.

## Membership

Levels continue to be very good, the only area for further development is our Youth area. This division is a bit like the surf. Sometimes you get a great set of waves to work with other times you have to work a bit harder for the set.

This area requires continuous development with a large dose of fun included.

## Fun

It was good to see some new initiatives being introduced e.g. the "Smashing of the Egg" and the "Cutting of the Ham". With the absence of a Surf Girl this year these evenings were a great way to wind down and enjoy the night for all those who attended. We need to remember to enjoy this opportunity as volunteers by having fun as it is an important ingredient that strengthens our mateship and team work.

Thanks one and all and have a great off season!

## Dennis Rowley

Director of Administration and Planning.

## Finance and Property Report

The Club's Board Of Management (BOM ) is pleased to report a continuation of the improvement on the 2010 financial year. We have continued to adhere to our basic objectives in running the Club.

- Maintaining the Club's purchasing policy.
- Increasing revenues.
- Controlling expenses.

### Revenue

This year we did not have an entrant in the Surf Girl Appeal but despite this loss of income our overall total revenue increased by \$36,692 (8.5% ). The main contributing items were

- Grants applied for and received by the Club.
- Increase in membership fees.
- Full year lease income from the Supporters Club.
- Interest received.
- Increase in Surf Rescue Appeal.

### Expenses

Total operating expenditure before depreciation expenses was \$354,107 a reduction of \$7,368 ( 2% ) compared to last year. We did see expense increases in administration, staff, and Junior carnival nominations, but these were offset by reductions in other areas.

### Cash Flow

The Club's 30th May bank balance was \$117,097.36 compared to last year of \$65,654.38. This is an excellent position and has increased our cash flow by \$51,442.98.

The Surf Club is currently providing the Supporters Club with a loan of \$43,997.77 during the transition of the management agreement from the RSL. It should be noted that this figure is not included in our above cash balance compared with last year.

The Club's Foundation account as at the 30th May was \$159,877.

### Profit

The profit for the Surf Club before depreciation is \$100,682 compared to last year of \$57,623. This is a \$43,059 increase (74.7% ) and shows a pleasing improvement from our losses in 2009.

During the year the RSL advised us that they would no longer assist the Surf Club with operational support in preparing the monthly accounts. This could have been a problem for us but with the determination of Kay Blokkeerus and supported by Margot Rousell the BOM received P&L on a timely basis. I thank them for their support.

### Property

The major improvement to the building during the year was the new slatted facial on the front of the building. The cost of this was shared by both Clubs. There were also rain water tanks installed for use in the Surf Club area.

The Club received monthly lease payments of \$10,000 from the Supporters Club during the year.

Thanks for the support to all concerned during the year and I wish the Club every success in building on this result.

**Dennis Croft.**

Director, Finance and Property.

## Marketing and Sponsorship Report

Firstly, I would like to thank the support that our sponsors have provided throughout the 2010/ 2011 Season. Without your financial and in kind support our club would not be able to provide the services that it does to our members, locals and visitors of Kings Beach, Caloundra.

Prior to the season commencing our major sponsor for the previous three seasons **Investa** advised that they would not be able to commit to the same funds they had previously. To ensure that the club did not miss out on any of the valuable funds, Michael and the team at **Investa** arranged for **PJ Burns** to be joint major sponsors of the Metropolitan Caloundra SLSC for the next three seasons.

So a special thank you to the team at **Investa** for their ongoing support and a big welcome back and thank you to John (Snapper) Thurtel and the team at **PJ Burns**.

To our long-time supporters thank you once again for supporting us: the team at **Dwyer's Retravision**, **Henzells** business and **Control Logic** our club relies on your valuable contributions and assistance and we thank you for all that you do for us.

This year as well as welcoming back **PJ Burns**, Scott Hammell and the team from **Goodlife Health Club** at Caloundra came back on board as a sponsor this year.

This season we have had a number of new Sponsors come on board and I would like to thank the following sponsors for supporting our club this season.

**Definium** surveyors, thanks to Peter Hickey for organising this; **Ikon Engineered Solutions** thank you Tammy & Brendan Sheppard; **Concept Roofing Services and Asbestos Removal** thanks to Kieron Jefferies; **Dow Plumbing** thanks to Dale Dow; **Carpet Choice Carseldine** thanks to Annette & Richard Hoskins; **Caloundra Physiotherapy Centre** thanks to Paul & Michelle Bounty; **Caloundra Eyewear** thanks to Brian Dreves; **Hutchinson Builders** thanks to Steve Ferguson; **Caloundra Naturopathic and Massage Clinic** thank you Tamara Skok and **Get Running** thank you to Alan Cuttler.

All of these new sponsors are businesses owned by our members who already put a lot of time and energy into the running of our club, so thank you for your additional financial support this season.

We set a record this year for the most amount of funds collected for the state wide Surf Rescue appeal for this club. The \$20,334.25 raised was a fantastic effort that we should all be proud of. A special thanks to Isaac Cox for coordinating the Brisbane part of the collection.

We had a couple of different fundraising events this season, including the return of the Mets Race Day at the Sunshine Coast Turf Club on Sunday the 24th of October. The day was a great day and those that attended had a ball we hope to get even greater support for the 2nd Race day which will be held at the same time in October 2011. I would like to thank those that supported the club by sponsoring a race. Tammy and Brendan Sheppard sponsored two races with their business **Ikon Engineering Solutions**. Jeff and Kate Morris for their sponsorship **J&K Morris Building Contractors**; Steve and Mick Bacon for sponsoring a race with their business **Control Logic**.

This season we also had the **Westpac** Chopper challenge that helped raise over \$2600.00 dollars for the club. Thanks to the team at **Westpac Caloundra**, but a special mention to John Taylor who ran approximately 80 km's on the day – from Tewantin to the Mets clubhouse; a fantastic effort John, thank you. This event will be back again next season so please ensure you support it once again.

It has been my pleasure to be the Director of Marketing and Sponsorship for the past two seasons, unfortunately I will not be nominating again for the position due to work and family commitments. I wish the person coming into the position all the best for the role, and I do ask all members to get behind them and support them, as it is really the club you are supporting.

**Neil Anderson.**

## Lifesaving - Club Captains Report

This season was a truly eye-opening one for me, having come on as Club Captain with only a few months to go. It was a positive one however, and I thank everyone for their support.

Our rescue statistics show that January was our busiest month by far this season – with 119 rescues, 454 preventative actions, and 3557 people warned (this is over  $\frac{1}{4}$  of the total beach attendance for that month). The total rescues for the season were 161, and total preventative actions were 826. This shows that in January alone, we performed approximately 74% of all rescues, and 55% of all preventative actions for the season. October proved to be a treacherous month as well recording 19.5 hours of beach closures due to dangerous surf. March was our biggest month for first aid cases with 159 recorded treatments, 157 of those were for bluebottle stings alone! And we all know how fun they are...

We haven't received official results for Buhk Wilkes yet - however I have it on good authority that the reigning champion patrol team for results this season was that of our former Club Captain, Paula Ryan. This was of course up until Good Friday, when the patrol including the current Club Captain and Vice Club Captain scored a massive 332/340 points. Better luck next year Sea Turtles.

Six of our patrolling members were invited by Lifesaver 6 (helicopter) to partake in some training exercises. This involved a few hours dry land training at Caloundra airport with the crew, which has resulted in three live water training sessions being conducted at Kings Beach and the Caloundra Bar in subsequent months. This is a fantastic opportunity for not only our members, but also for the public to witness these exercises first hand at their beach. Well done to everyone involved.

As we are all too aware, we were bombarded with some pretty severe weather resulting in devastating flooding across the entire state. I am proud to announce that Surf Lifesavers proved this year that it is not only the beaches that we can patrol to keep our community safe. Many of our members and equipment were called to assist in the relief effort in Brisbane and the patience, dedication, and selflessness they showed is second to none. This truly cemented our place as part of the Emergency Services team, and every single person who is involved in this organisation ought to be congratulated.

If I had to single out one particular patrol that had gone over and above the call of duty this season it would have to be the Stingrays. This patrol dealt with nearly every scenario you could think of - from public drunkenness, riots, unconsciousness, trauma, rescues and numerous warnings. You certainly would not wish any of these things to happen to any patrol, but the Stingrays seemed to cop it all this season. They handled everything that was thrown at them with professionalism and integrity, and deserve recognition for their efforts.

In closing, I would like to say a massive thankyou to my Vice Captain Nathan Steer for all his assistance; I would be stuck without him; also to Snow Maurice, Paula Ryan, and Molly for their help and guidance throughout the season. Thanks also to the Creedy brothers for their continued care and maintenance of our IRB's, Carla Dreyer for her continued stocking of our First Aid Room, and Snow for his care of all our gear and equipment. Thank you to Bronson Slater for tackling the role of Club Captain for the first half of the season.

See you all next season

**Fi Fewtrell**  
Club Captain

## Training & Assessment Report

It is my pleasure to present the Metropolitan Caloundra SLSC Training and Assessment Report for Season 2010/11. Another surf lifesaving season has come to an end. A big thanks goes to all our trainers and assessors for their efforts in ensuring our members are achieving the standard required to provide a quality service to members of the public visiting Kings Beach.

### Proficiencies

This season saw the introduction of Defibrillation Awareness as part of the proficiency process. This will again be included next season.

I would like to thank all of our members for their patience on proficiency days. It was amazing how quickly we could get through everything when every member just got on with the job.

### CPR

As of June 1st 2011 SLSCA will be introducing to all training and assessment the changes to CPR as recommended by the Australian Resuscitation Council. These include the addition of an S for 'send for help' to the CPR acronym. It now becomes DRSEABCD. Also if the patient is not a drowning victim then there is no necessity to perform rescue breaths. We will endeavor to have Training Officers available to run through the new process prior to proficiency assessments.

### Bronze Medallion

It is always a pleasure to see young and not so young people taking the first step in surf lifesaving by qualifying for their Bronze Medallion.

The Bronze Medallion is the most difficult award to achieve in surf lifesaving but opens the door to further awards. For the 2010/11 season the club trained 34 successful candidates for their bronze medallion. This included one addition to our list of International Bronzies.

Our first (to my knowledge) was Massimo Donalizio in the 07/08 season and he was followed in the 09/10 season by Stefano Pagliai & Matthias Sperka from the USA and Gustave Burguet from France. This season we had Cesar Chroscik from France. All have left our country proudly wearing the Met Caloundra colours.

Congratulations to the new members of Metropolitan Caloundra SLSC and those members upgrading from their SRC to Bronze for their efforts.

Congratulations also go to all those who participated in courses to achieve their Surf Rescue Certificate this year. Next step is your Bronze!

### IRB Crewman

There were 6 people to achieve their IRB Crewman award this season. Congratulations to all participants and big thanks to Dan and James Creedy and their able assistants for their efforts.

### Operational First Aid

Thanks to the efforts of Liz Dawes we were able to run an Operational First Aid course. We now have 8 new First Aid officers.

### Other awards

11 members completed their Advanced Resuscitation Certificate and Defibrillation Award this season. Congratulations to those members.

23 of our Under 13's achieved their Basic Resuscitation Certificate.

Finally, I would like to thank the Management Committee, Club Captain, Club Supervisor Liz Dawes, Office Staff (Kay, Amy and Rachel) and all the Trainers and Assessors for the time and effort they have put into the club this year and the assistance I have been given. Last, but certainly not least, I would like to thank all the members of Metropolitan Caloundra SLSC for their interest and enthusiasm in both gaining and maintaining their surf lifesaving awards.

## Youth Development Report

What can I say about the Youth Development role this year? I took the role on late in the season not expecting it to be such a difficult role. Trying to organise a group of young adults to get enthusiastic about anything has proven much harder than expected. I would really like to encourage someone that has a bit more time and energy available, to take on this role next year. I am more than happy to be part of an organising committee that helps with ideas and can start this from early August 2011, if possible. I have already done some preliminary work with Brunswick Heads Club in northern NSW, to organise a camp for early September 2011 that would be a great kick-off for the Youth for the season and get them together to meet each other and have some fun before the season starts. Please get involved with any activities that are organised and have your input so these activities are what you want.

We did manage to pull off a few activities though.

We were given the Caloundra Come and Tri Day to provide water safety for, this ran over 3 Sundays and required the Youth to come along and provide water safety and First Aid for about 2-3 hours at 6am at Lake Kawana. Thanks to Snow for the tip off here and for his assistance with First Aid also. Mikaela and Karlee attended all 3 days with Tegan, Emily, Tiah, Eliza and Brian also helping out for a couple of days each. There were a few amusing happenings with Emily "saving" a guy in knee deep water and having to paddle him back on the board sitting up cause he didn't want her to lie down. I have never heard a male scream like this fellow did. Mikaela also had a larger figured gentleman hanging onto the back of her board (and onto the fin) as she paddled him across the Lake in a howling wind (with no assistance from him at all - not even a kick), when she finally got him in where he could touch the bottom and she was absolutely spent - he slapped her on the leg and said "thanks darl" she had the mark on her leg for a quite a while. She did make a new friend though! Tegan and Karlee also thought they would take the buoy out to the turning point and were trying their damdest not to get wet, however they both ended up in the drink.

We also organised a bit of a fund raising activity where we purchased wrist bands in blue and red with Met Caloundra across them and car stickers. We made a bit of money off that adventure and the nippers also used these as a gift for their break-up. There are still more to be purchased and you will find them in the Office or in the Supports Club.

Our next event was held at Ski n Skurf at Bli Bli and we had quite a few turn up for this event. The U13's also came along being the next group to join the Youth Development ranks.

A great day was had by all and thanks to Rob for cooking the BBQ.

There were a few of the Youth team that also provided water safety at the Caloundra triathlon in Ray and Adam Nelson, Brian Dreves, Connie Short, Karlee Bryant, Nathan Steer, Bridget Peart, Maddie & Keegan Hoskins and Keiren Perkins. By all reports all had a good time although it was a long session.

Karlee, Mikaela, Tegan and Nathan attended the Mudjimba Branch Survivor Camp as leaders and had a great time and provided loads of input to the weekend. Karlee also attended the State camp in Lennox Heads in January.

In mid April Fi and Nathan attended the State Pellerman Camp in Brisbane.

Anyway, we have some really talented Youth with our club and it would be great to see them start getting together a regular program for all to interact with.

**Karen Bray**  
Director Youth Development

## Lifesaving:

### Assessor or the Year

2010-2011 Nominees:

Elizabeth Dawes

Tamara Skok

## Surf Sports Report

When asked to take on the role of Surf sports Director I had very little idea of what that really involved, apart from attending a couple of meetings each month, it couldn't be that difficult, but things always look easy from the veranda of the clubhouse or the bar stool of the supporters club, that is why I need to thank the rest of the surf sports board for making my job a lot easier. After some discussions with Rhett I had a better idea of what we needed to achieve. Our aim was to provide an environment that would have a sustainable increase in competition numbers & performance, in all age groups and disciplines, at regional, state and national competitions, put simply **quantity and quality**. Asked if we achieved that objective, I would give a big high five yes.

Nipper growth has been consistent and it is great to see we are having a real "presence" at carnivals. At the Mets carnival we had the 2nd highest number of nominations, outdone only by the heavyweights Maroochydhore. Our midweek training sessions have a regular 50+ attendance and that is realizing some solid performances at carnivals with many making finals at branch and state level for the first time. The good beach results are a credit to Jackie and Jenny's hard work in establishing a regular beach training program. I congratulate everyone from the nipper ranks on their performance and look forward to seeing them back at training next season and also moving up to the senior ranks in the coming years. We are very conscious of the need to grow our senior squad from the bottom up and that is why Rhett has introduced sessions, for the more competent kids, with his senior squad at Bokarina. These are often challenging for the kids and even more so for the parents, but the improvement in surf skills and interaction between the athletes is like mother's milk to a baby. I wish everyone well in their endeavours and be assured we will support you to be the best you can be and have fun on the way. Part of our strategy to improve & sustain athletes' performances was to commit to a comprehensive subsidy program. This involved a variety of payments to help with training costs, craft subsidies and a bonus system which rewarded all athletes for achievements at major carnivals, and gave Dennis Croft, our treasurer, a few headaches. I realise for a club with limited funds this is an ambitious program but I believe we achieved good value for money. These payments increase the clubs assets both in craft and personnel and it's arguable that it had a direct influence on Corey's performance in the Aussie board final when Rhett mentioned it could be worth \$300 to him, just before the race.

The Kellogg's Nutri Grain series was contested over a longer period with more races of an endurance format this season. Trials were held in August and we had Bec and Corey qualify for the series. Corey being an automatic qualifier with his top ten finish from last year. Stephanie raced well on the first day of the trials to make the final 18 but was outclassed in the final cut. Kelly-Anne had to pull out through a recurring knee injury that she sustained while training for the Coolangatta Gold. It was very disappointing to have Kelly-Anne transfer to Mooloolaba to continue her aspirations to compete in the Gold and we wish her well. We had two new members join the senior squad in Keegan and TJ, what they lack in experience they make up for in enthusiasm. It's encouraging to see Maddy continuing from last season, her

improvement on the ski is a result of her hard work and perseverance on the most difficult craft to master and to see her qualify for the Iron final in her first crack at the race at North Burleigh was a testament to her improvement.

We took a bus load of nippers to Currumbin for the first race of the series, combined with a training session at Currumbin beach before the race. It was very successful outing but I'm not sure if the level of excitement shown by the kids was entirely from watching the race or the gallons of Red Bull that the promo girls dished out, it made for an interesting trip home and I commend Michelle's father for the patience he showed while driving a bus full of hyperactive kooks. Still we all agreed it was worth doing again.

The Nutri Grain Series saw mixed performances from Corey and Bec. The highlights being Bec's 4th in round 1, 5th in round 3 and 2nd in round 5, and Corey's 3rd in round 3. Bec's 9th place overall qualifies her for next season's series and Corey's 12th overall means he has some work to do preseason to be ready for the qualifying rounds in August. On his day, he has the potential to beat anyone. The Aussies were the next big focus for our senior squad. Corey's 1st place in the Board final shows a part of what he is capable of. He also made the finals in Iron and Swim. Rebecca qualified for Swim, Ski and Iron finals, and was most gracious in her 3rd placing after leading the first two legs of the Iron final only to be overtaken on her way home by two other competitors by a slip on her board and a fortunate wave. The way she presented herself in the interview after the race should be highlighted to our younger athletes on how to deal with disappointment. Stephanie qualified for the Ski, Board and Iron finals and will give her confidence in what she is capable of achieving next season. Congratulations also to Carl and Neil in making the u19 Double Ski final. On ya boys!

Masters Competition this year saw a regular contingent of 6 – 8 masters competing at each carnival and some excellent results culminating in one gold and two bronzes at the Queensland titles and a wonderful silver at the Aussies. The season kicked off early with the "Noosa Ocean Classic" endurance race in which we had four competitors. A first, third, fourth and sixth provided a great start the year! At the Marcoola Carnival it looked like that form was set to continue with a first in the Board Relay, and a second in the Ski and Taplin Relays and a second in the Double Ski to Glen and I. By the time we got to the Alex Masters, we were on fire (well, smouldering a bit, maybe...) taking three 2nds (45-49 Ski; 50-54 Ski; 55-59 Ironman) two thirds (130 Surf Teams; 55-59 Surf Race) and a surprise first in the Double Ski with the improvised pairing of Stephen and I. Four of us ventured south of the border for the Brunswick Heads carnival. I'm not sure of placing's but a great time was had. We also had a hit out between branch and state titles at a craft carnival at Tugun, again not sure of placing's but from memory Craig and I both finished in the medals.

The results at the Branch Championships were very good, but clearly exposed our lack of competitors compared with other clubs. Despite securing one first, six seconds, five thirds and numerous minor point-scoring results, we could only achieve tenth overall from a field of 15 clubs.

## Surf Sports Report/continued

We need more Masters competitors!

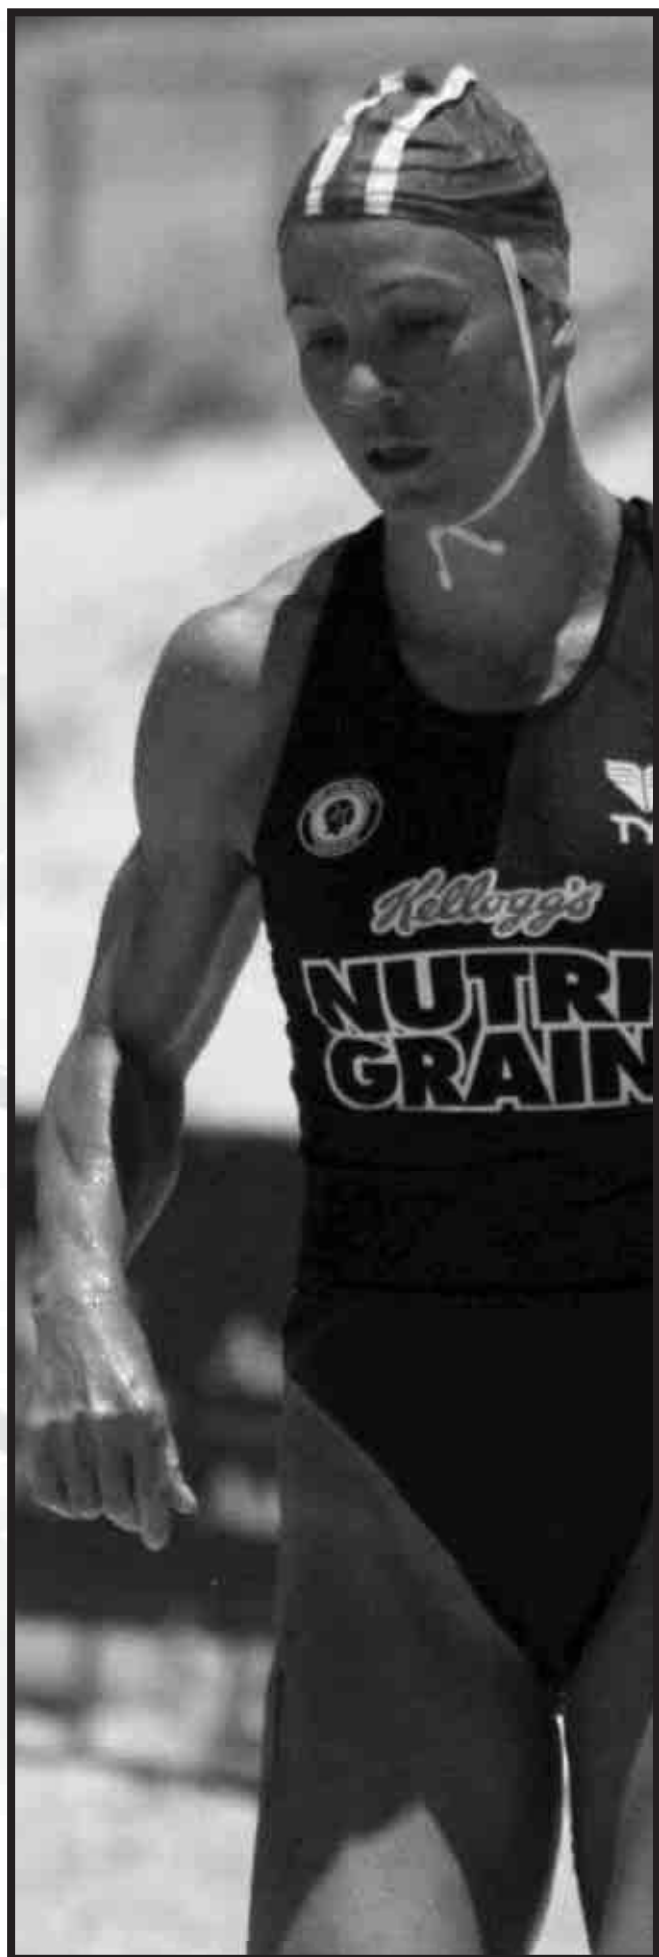

However, despite having significantly fewer competitors than most clubs, we still managed to finish 9th on handicap at the State titles (from a field of 50 clubs). This included two bronze (Josie in the Ski and Macka & Stuart in the Double Ski) a silver for Glen and I in the Double Ski and gold for Craig in the Ski, as well as a number of point-scoring positions, resulting in the Masters' team more than doubling its point-score compared with last year. This set the stage for a strong performance at the Aussies...

Unfortunately, the challenging conditions (and leaving some of our best form back at the Queensland Titles?) meant the results were scarce. The highlights were clearly Josie's excellent silver medal in the Ski and me just missing a medal (fourth) also in the Ski. Overall, it was a good season for the old guys and the much (much) younger girls in the masters' squad.

For anyone who's interested, Masters competition is a terrific way to keep fit, as competitive as you want it to be, and offers a wonderful opportunity for fun and social interaction. Please me if you'd like to find out more about participating. The IRB team had another great season braving the chilly temperatures for some great results. It was fantastic to see a number of new comers join the team and compete well. As the team decided not to travel to Penguin in Tasmania for the Aussie Titles, the major carnival for the season was the State Titles at Broadbeach where the team of James and Dan Creedy and Mark Imrie picked up a well-deserved bronze medal in the Masters tube race. Racing is already underway for this season and I would encourage members to get along and support our crews.

The results for a relatively small squad and club with limited resources are very encouraging, knowing there are still achievable improvements to be made. To everyone involved in the surf sports team, from the youngest U8 having their first board training session, U14s about to embark on a whole new level in the senior squad, senior squad members taking up an unfamiliar role of mentoring our younger athletes to our oldest master competitor just having a go and making up a team event, I thank you for your efforts and hope you had an enjoyable season. I encourage and challenge you to be the best you can be and look forward to an exciting future of development for the club. It's yours to be proud of.

**Jeff Morris**  
Director Surf Sports

## Carnival Results 2010-2011

### State IRB Championships - Broadbeach SLSC 16-18 July 2010

30+ IRB Tube Rescue  
2nd Daniel Creedy, James Creedy, Mark Imrie  
13th overall – 5 points

**13th overall - 5 points**

### Round 1 Ocean Roar Series- Bribie Island 7th May 2011

30+ IRB Mass Rescue  
1st Amy Blokkeerus, Bridget Peart, John Keller,  
Mark Imrie

30+ IRB Tube Rescue  
1st Daniel Creedy, James Creedy, Mark Imrie

**8th Overall – 13 Points**

### Round 2 Ocean Roar Series – Miami 21 -22 May 2011

30+ years IRB Team Rescue  
2nd Daniel Creedy, James Creedy, John Keller,  
Kirsten Phillips, Mark Imrie, Shona McClelland

### Row For Cancer 28 August 2010

Open Women  
1st Josie Pike, Jan Burdekin, Fi Fewtrell,  
Paula Ryan, Sweep Jase Bean

### Rooster River Run 18 September 2010

Open Women  
1st Josie Pike, Jan Burdekin, Fi Fewtrell,  
Paula Ryan, Sweep Jase Bean

### Bondi Watson Bay 24 October 2010

Open Women  
2nd Josie Pike, Jan Burdekin, Fi Fewtrell,  
Paula Ryan, Sweep Jase Bean

### Aussie Bum Bundaberg 6 November 2010

Open Men  
1st Ben Cannife, James Ware, Brett Morrissey,  
Jacob Frampton and Sweep Michael Bacon.

### Navy Round 1 - Bribie Island 13 November 2010

Open Men  
3rd Ben Cannife, James Ware, Brett Morrissey,  
Jacob Frampton and Sweep Michael Bacon

Open Women  
3rd Josie Pike, Paula Ryan, Jan Burdekin,  
Fi Fewtrell, Carla Dreyer, Sweep Jase Bean

### Aussie Bum Mooloolaba 5 March 2011

Masters Men  
1st Sean McMahon, Len Fox, Jason Hague,  
Dan Rolley, sweep Michael Bacon

### Aussie Bum Coolum 12 March 2011

Reserve Grade Men  
2nd Wade Clarke, Jonathon Meuleners,  
Michael Boulton, Adam Hammersley, sweep Len Fox

### FASTEST MAN ON SAND Round 1 - 24 October 2010

U11 Male Beach Flags  
3rd Alex Innes

### Round 5 – 6 March 2011

U11 Male Beach Flags  
1st Alex Innes

U13 Female Beach Relay  
5th Eliza Christiansen, Madeleine Fissenden,  
Paige Wilson, Sophie Larsen

U13 Male Beach Sprint  
5th Patrick Defries

### Kellogs Nutri Grain Series

Round 1  
5th Corey Jones 16 Pts  
10th Rebecca Creedy 11 Pts

Round 2  
16th Corey Jones 5 Pts  
12th Rebecca Creedy 9 Pts

Round 3  
3rd Corey Jones 18 Pts  
7th Rebecca Creedy 14 Pts

Round 4

**Seniors - 20 points, 45th overall**

**Masters -12 points, 80th overall**

that was 2010-2011

## Junior Activities

This season our nipper numbers were 307 members. Thanks to you all for being part of another great season. This season we reformed the JA Committee. Thankyou to all committee members for your support, this committee has helped to share the work load. Thanks to my Secretary Libby Ferguson and Treasurer Margot Rousell, you have both done a fabulous job.

This season we recognised all our under 14's as Junior Club Captains, they were well deserved of this honour. Congratulations Abbey Bates, Connie Short, Laura Cartwright, Cameron Taylor, Nick Jeffries and Ben de Malmanche. Thank you U14's for all your help with water safety, we hope you continue within the senior ranks as a patrol member and as a competitor.

To all our Age Managers, thank you for your time and effort, without you Mets Nippers would not be possible. I'm sure our families' appreciate all you do. To the water safety, thanks for your many hours in the water, keeping the kids safe, encouraging them and helping them with new techniques, in the difficult conditions we experienced this year. Thanks to Cheryl for making sure we all were registered and thank you also Ann Twomey for again making sure we have uniforms.

Nipper Sundays have been a great success, thanks to Donna, Jo and Nova, our Queens of the Canteen and thanks to the very hard working Jonesy and Barry on the BBQ. Without you all there every week I'm sure we would all go hungry. Nippers couldn't run on a Sunday with out the beach being set up, thanks to Barry and the parent workforce for your early morning set up and pack up on the beach.

This season we continued the Sunday Nipper format, to include a beach coach, a swim coach and a board coach. This has been very successful again this season, the children who are unable to come to weekly training get a little more coaching on a Sunday, thus enjoying nippers more and getting much more out of the season. Thank you to Rhett and Jeff for all you have done to make this season so great, as always your coaching has given the children valuable skills and more confidence in themselves. Our children were challenged more and have learnt more this season thanks to the following JA coaches Neil Anderson, Jenny Singleton, Jackie Fyten, Chris Brearley, Scott Wilson, Glen Christensen and Steve Ferguson.

Points Days were a hit for the kids, competing against each other rather than other clubs makes for healthy competition and helps when the children are in carnivals.

Congratulations to our Age Champions (results published on the Surf Sports Results page). Thank you Parents for all your help in the organisation of these days.

This season we had a couple of special combined inter club training days. These days were a hit with the kids and thanks to Redcliffe, Kawana, Dicky Beach and Alexandra Headlands clubs for joining us on those days. We hope to continue this next season. Thanks also to the parents who helped on these days to accommodate the extra nippers on the beach.

This season our attendance at carnivals was at an all time high, participation through all age groups has been strong. Thanks to the parents for getting the kids to the carnival and the age managers for their hours of standing on the beach, watering and encouraging the kids, and just keeping them where they need to be. Thank you all, children, parents and age managers, for representing our club in such a sportsman like manner.

To attend a carnival there is a lot of preparation done behind the scenes. Thanks to Jackie Harle for making sure all the proficiencies and competencies were processed, this is a massive job. Thank you to Tamara Skok for all your days on the beach assessing our kids. Thank you Cheryl for all you have done again this season, carnival nominations, officiating at many and varied carnivals. Thank you Michelle for taking on Team Manager this year, you did a great job. Thanks to the other team managers who stepped in to help out our kids. Our team managers days starts well before the carnival, tents have to be organised and set up, teams have to be sorted, set up on the day and the list goes on, thank you all.

This season we hosted two carnivals in November, the 11-14 teams carnival and the 8-10 individual carnival. Thanks to Donna, Jo, Baz, Margot and the entire Workforce both kitchen and beach, thank you all for your many hours of work, it is safe to say we will be looking forward to doing it all again next season. These carnivals are a great fundraiser for the Nippers. On that note we ran some raffles throughout the season which boosted our fundraising, thanks to all who supported these.

Thank you to Neil Anderson, Imogen Kettle and Jenny Singleton for your persistence to receive the Gaming grant. This grant provided the nippers with a well needed trailer and fibreglass and foam boards.

## Junior Activities / continued

Thank you to the many business's who sponsored the fibreglass boards and the trailer, Dow Plumbing, Ikon Engineering, Caloundra Physiotherapy Centre, Get running, Concept Roofing Services, Carpet Choice Carseldine, Control Logic, Caloundra Naturopathic and Massage Clinic and Caloundra Eyewear your support is gratefully accepted. Thank you to Hutchinson Builders for the donation of the tent, this supplies great sun protection at carnivals and on Nipper days. Thank you to PJ Burns and Investa for your loyal and continued support. Thank you to Woolworths for the grant which bought foam boards for the kids.

Nipper camp was restricted to 11-14s this year, this was done so we could provide specialist training to the older age group. The children improved their skills and confidence as well as making firm friendships. Thanks to the water safety, cooks, food preparers, drivers and den parents for helping this week run as smoothly as possible. Thank you Jackie Fyten and Jackie Harle for organising, shopping for and cooking all the yummy food that kept us going. Thanks to Tammy Sheppard for taking a record of the camp in pictures. The 8-10 age group got their turn to have the specialist training at several extra sessions over the school holidays, thanks Rhett for both of these opportunities.

This seasons Branch Championships at Dicky Beach and State Championships at Coolangatta, were a huge

success; we had great attendance to both of these important carnivals. The children who compete at this level have dedicated an enormous amount of time and energy. Thanks to the parents for supporting the children in this. All of our competitors gave 100% both in there races and supporting each other. I am proud to be a member of Mets to see this commitment from the kids. Thank you Tammy Sheppard and Jackie Fyten for all your hard work on the uniforms, the kids looked great.

This year we celebrated the Nipper Breakup and trophy day at the Caloundra Aquatic Centre. The children had a great time on the pool inflatables. Congratulations to all trophy winners and Age Champs (list of trophies published in this report). Thank you Jackie for your work organising the trophies, thank you Liz Sweet, Amanda Woods, Kirsten Twidale and Fiona Tottman for organising the day, fun was had by all. I'd like also to thank Sheppo for organising the nipper parent breakup, we had a blast.

Thank you Nippers, you have grown remarkably this year in Life Saving, your skills, knowledge, confidence and friendships will be with you for life. See you all back for another fun filled season in September, keep your eye on the web site for sign on and proficiency days in August.

Cheers

**Dale Dow**

## Supporters Club Report

This is my second year as Supporters Club President and as I recall, in last year's report I said there was cause for "cautious optimism" in the year ahead. Seems I was only half right. There was certainly cause for caution. Optimism? Maybe not so much...

Over the last twelve months we've endured one of the worst climates (both meteorological and financial) in which the club has ever operated and as a consequence of this and other factors, the results have not been good.

After careful analysis of the figures and of the club's financial and cultural "trajectory", the board made the unanimous decision to resume direct control of the club's operations.

Poor revenue, excessive expenses and enormous management fees were all indicators that an urgent change was needed and that reasserting control of the club was the only viable option.

I won't delve into the intricate and extensive effort that was needed for this transition. Suffice to say, a lot of people have worked long and hard to make this happen.

All you really need to know is three words:

### UNDER NEW MANAGEMENT!

As of the first of May this year, we are back in charge of our own destiny and it's the board's goal to return the club to its primary objective (supporting the Surf Club) and to once again make the club a fun and enjoyable environment for members, guests and staff alike.

What does this mean for the club?

Firstly, we now have more direct influence over the club's operations and its responsiveness to members' needs. We'll turn it back into a **Surf Club**, not just another soulless club venue.

Secondly, we can minimise expenses. Better control over quality and quantity of staff, menu and bar options and operational overheads will mean greater efficiency and more satisfied patrons.

In addition, a new and innovative approach to marketing and promotion will draw more patrons from Caloundra's growing resident and tourist population.

Finally, the removal of \$100,000 worth of annual management fees from our bottom-line can't help but improve the club's financial performance and thus its ability to support life saving activities on Kings Beach.

The last three months have seen such a phenomenal effort from so many people, that it's hard to adequately convey my gratitude for their efforts.

To all our board members, - Molly, Dennis, John, Paula, Ken, Rob, - your support during this difficult and challenging period has been wonderful. Thank you all for your assistance.

To Kay and all the administrative staff "downstairs" - you have our overwhelming gratitude! Without your support, I'm pretty sure the wheels would no longer be attached...

Very special thanks must also go to someone whom very few of you will know. Craig Cooper from State Centre has been absolutely instrumental in guiding us through this transition period. He has worked tirelessly on our behalf, advising us, directing activities and coordinating logistics around the transition. Craig - your assistance and advice have been invaluable. Thank you so much!

Last (but certainly not least!) I'd like to welcome our new employees to the Met Caloundra "family".

Ben Levesque is our new Club Manager and comes to us with a wealth of experience from much larger venues. His enthusiasm is already proving infectious...

Stephen Wallis is our new head chef and if the new menu is any indication, he's a great addition to the team. Bon Appetit!

Jenny Clarke is our new accounts/administration clerk and returns to the club after an eight year hiatus (holiday?). Welcome back!

To all our other staff (of which there are too many to mention individually) - you've all been hand-picked and each of you are wonderful additions to our team. Welcome to the Club!

In closing, I'd once again like to encourage all club members to use the Supporters' Club at every opportunity. This year the food is even more exceptional, the facilities are still improving, and the view remains fantastic! It's your club and you are always welcome.

PS: Special thanks also to all those members who assisted with the working bee over Easter. I still owe each of you a beer (or five!).

## METROPOLITAN-CALOUNDRA SURF LIFE SAVING CLUB (INCORPORATED)

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 APRIL, 2011**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Queensland Associations Incorporations Act 1981. The Committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous report period unless otherwise stated, have been adopted in the preparation of this report:

*a) Income Tax*

The club is exempt from Income Tax in accordance with Section 50-45 of the Income Tax Assessment Act 1997.

*b) Property, Plant and Equipment*

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the estimated useful lives of the improvements.

*c) Inventories*

Inventories are measured at cost. Costs are assigned on a first-in, first-out basis.

*d) Leases*

Leases of fixed assets, whether finance leases or operating leases, are expensed in the periods in which they are incurred.

*e) Goods and Services tax*

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

*f) Prepayments*

Prepayments have been brought to account for insurance premiums in line with their treatment in the prior year.

*g) Employee Benefits*

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

Telstra (Telephone Equipment & Maintenance) 44 payments of \$179.11

## METROPOLITAN-CALOUNDRA SURF LIFE SAVING CLUB (INCORPORATED)

### STATEMENT BY MEMBERS OF THE COMMITTEE FOR THE YEAR ENDED 30 APRIL, 2011

The committee has determined that the association is not a reporting entity.

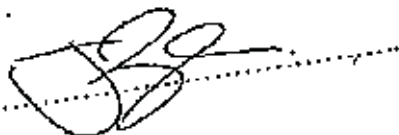

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies as outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report;

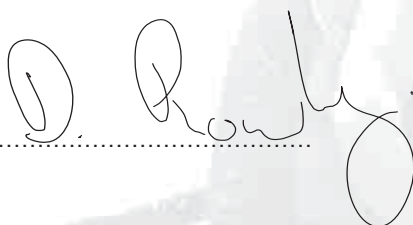

1. Presents a true and fair view of the financial position of Metropolitan-Caloundra Surf Life Saving Club Inc. as at 30th April 2011 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Metropolitan-Caloundra Surf Life Saving Club Inc. will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:.....

Secretary:.....

Dated this 27th day of May 2011

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF  
METROPOLITAN-CALOUNDRA SURF LIFE SAVING CLUB (INCORPORATED)****Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of the Metropolitan-Caloundra Surf Life Saving Club (Incorporated), which comprises the assets and liabilities statement as at 30th April 2011 for the year then ended, the income and expenditure statement, statement of cash flows for the year then ended, a summary of significant accounting policies, other explanatory notes and the statement by members of the Committee.

**Committee's Responsibility for the Financial Report**

The Committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the Queensland Associations Incorporation Act 1981 and are appropriate to meet the needs of the members. The Committee's responsibilities also include designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Committee's financial reporting under the Queensland Associations Incorporation Act 1981. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

**INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF  
METROPOLITAN-CALOUNDRA SURF LIFE SAVING CLUB (INCORPORATED)**

**Basis for Qualified Auditor's Opinion**

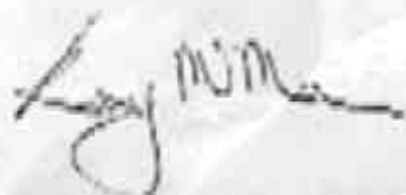

a) A substantial amount of the Club's income is derived from collections, donations and other general fund-raising activities. As is the case of similar organisations, it was impracticable to extend our examination of income derived from these activities beyond that information which is recorded in the books of account.

b) The Club has a policy of purchasing various items of equipment which are provided to members to assist with their lifesaving training (e.g. surf skis, boards). This equipment is not directly controlled by the Club, although recognised in the books of account as an asset. We have not been able to conduct physical inspection of these assets and cannot verify their existence or their value.

**Qualified Auditor's Opinion**

In our opinion, except for the effect on the financial statements of the matters referred to in the preceding paragraph, the financial report of Metropolitan-Caloundra Surf Life Saving Club (Incorporated) presents fairly, in all material respects the financial position of the Metropolitan-Caloundra Surf Life Saving Club (Incorporated) as of 30th April 2011 and of its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Queensland Associations Incorporations Act 1981.

**METROPOLITAN-CALOUNDRA SURF LIFE SAVING SUPPORTERS CLUB INC**  
**NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL, 2011**

**NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Queensland Associations Incorporation Act 1981. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following specific accounting policies, which are consistent with the previous report period unless otherwise stated, have been adopted in the preparation of this financial report.

*(a) Income Tax*

Net income of the Association is taxable to the extent that non-member receipts exceed non-member expenses. Any net income arising from receipts from members is not taxable.

*(b) Property, Plant & Equipment*

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

*(c) Inventories*

Inventories are measured at cost. Costs are assigned on a first-in, first-out basis.

*(d) Leases*

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Association, are classified as finance leases. Finance leases are capitalised by recording the asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values.

Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

*(e) Goods and Services Tax*

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

*(f) Employee Benefits*

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**STATEMENT BY MEMBERS OF THE COMMITTEE**  
**FOR THE YEAR ENDED 30 APRIL, 2011**

The committee have determined that the association is not a reporting entity.

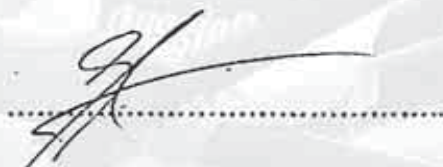

The committee have determined that this special purpose financial report should be prepared in accordance with the accounting policies as outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report;

1. Presents a true and fair view of the financial position of Metropolitan-Caloundra Surf Life Saving Supporters Club Inc. as at 30th April 2011 and the results of the association for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Metropolitan-Caloundra Life Saving Supporters Club Inc. will be able to pay it's debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President:

Secretary:

Dated this 3rd day of June 2011

**INDEPENDENT AUDIT REPORT**  
**TO THE MEMBERS OF**  
**METROPOLITAN-CALOUNDRA SURF LIFE SAVING SUPPORTERS CLUB INC**

**Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of the Metropolitan-Caloundra Surf Life Saving Supporters Club Inc, which comprises the balance sheet as at 30th April 2011, and the profit & loss statement, statement of cash flow statement for the year then ended, a summary of significant accounting policies, and the statement by members of the Committee.

**The Responsibility of the Committee for the Financial Report**

The Committee of the association are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporation Act 1981 and are appropriate to meet the needs of the members. The Committee responsibility also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Committee financial reporting under the Associations Incorporation Act 1981. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Independence**

In conducting our audit, we have complied with the independence requirements of Australian professional accounting bodies.

### **Basis for Qualified Auditor's Opinion**

There is insufficient information to form an opinion as to whether the Club has an Income Tax liability on its non-mutual income, for the current or past years. Accordingly, the liabilities of the Club maybe understated to the extent of any such tax liability.

### **Qualified Auditor's Opinion**

In our opinion, except for the effect on the financial statements of the matter referred to in the preceding paragraph, the financial report presents a true and fair view of the financial position of the Metropolitan-Caloundra Surf Life Saving Supporters Club (Incorporated) as of 30th April 2011 and of its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.
